*Sometimes in our lives we all have pain
We all have sorrow, But if we are wise
We know that there's always tomorrow*

*Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long, 'Til I'm gonna need
Somebody to lean on*

*Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you don't let show*

*Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long, 'Til I'm gonna need
Somebody to lean on*

*If there is a load you have to bear
That you can't carry, I'm right up the road
I'll share your load, If you just call me
So just call on me brother,
when you need a hand
We all need somebody to lean on*

*I just might have a problem
that you'd understand
We all need somebody to lean on*

*Lean on me when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long, Till I'm gonna need
Somebody to lean on
Lean on me...*
